## THIS YEARS THEME—WHO ARE WE?

### THIS YEAR WE ENCOURAGE EVERY BUSINESS TO BE UNIQUE AND PROMOTE YOUR SERVICES THROUGH YOUR SCARECROW.

***WHAT YOU NEED TO KNOW:***

We will allow post, lamppost, and sidewalk to be utilized this year!! You must okay your design concept with the Chamber before setting up!

Scarecrow frame must be in tact at all times. If your scarecrow falls apart, you have the option to remove or fix the decoration. Any and all decorations you need to make your scarecrow presentable is your responsibility.

***IMPORTANT INFORMATION:***

You can tie your scarecrow to the lamp post after it is completed. **NO** nailing, stapling or gluing any parts to the lamp post. Only Rope or Wire to tie the frame to the lamp post to ensure it doesn't tip over.

The Chamber has the authority to remove any scarecrow that is not suitable for the contest. If you have any questions contact the Chamber office at 883-3686, or e-mail dena@stegenchamber.org and Dena will be happy to assist you. We hope that your company has fun with this competition.
